

Most of Prof. Borregaard's slides are freely available online, as they were made with Prezi. The links for the two lectures (Wednesday and Thursday) are:

- **Wednesday:** <https://prezi.com/view/uT0Ys7V3sIFXZSU0U7sG/>
- **Thursday:** <https://prezi.com/view/pccjsRWplEKh03STy1KB/>

In addition to these two presentations, we are also sharing some BQC slides in PDF format from that session.
